SAGE CUSTOMER DAY PROSPECTUS

Bring a business problem. See how others solve it.

A dedicated customer programme at TPAC North America in Burnaby.

15–17 August 2027 • Delta Hotels Burnaby Conference Centre • Greater Vancouver, BC

See what you can do with Sage

Customer Day takes place during TPAC North America, 15–17 August 2027. The day and times will follow.

Bring a real challenge	Start with an approval bottleneck, a reporting gap or a process that still depends on spreadsheets and rekeying.
See software in use	Ask solution providers to show a working example, explain which Sage products they support and describe what implementation would involve.
Ask how AI is controlled	See what data an agent needs, which permissions it uses and when a person must approve its next step.
Meet with your Sage partner	Discuss your priorities with your Business Partner and relevant exhibitors. Agree a demo or discovery discussion for your own environment.
